Dear all,

Despite a torrential downpour bringing a premature end to our proceedings, staff and students are to be congratulated for the wonderful Melbourne Cup celebrations last Wednesday. The official party was amazed at the work that had gone into the assembly, particularly the artworks and creations that adorned the school.

A big thank you to the staff and students for all their hard work.

Last week Mr Lewis our wonderful General Assistant received news that he had been offered a transfer to a permanent full time position at Bomaderry High School. Mr Lewis is currently working in temporary and permanent positions in 3 different schools and while he is very disappointed to be leaving Terara, he is looking forward to the consistency of working permanently in one school every day. On behalf of our staff and students I wish to thank Lewis for everything he has done for Terara School during his time here and wish him all the very best for his new appointment. We know he will be greatly missed.

We are awaiting news from staffing about how and when the position will be filled.

Due to an extraordinary number of meetings and engagements in coming weeks I have organised Miss Lauren Bassett to cover my library and computer sessions this week and next week (2hrs per class). Miss Bassett will be take K/1 and 1/2 on Thursdays and 3/4 and 5/6 on Fridays. I will be continuing my STLA role each morning.

Have a great week,

After School Sport

Afternoon sport will commence next week being week 3. There will be 7 sessions starting at 3.10pm and finishing at 4.10pm.

Expressions of interest have been returned to school and the program has reached its limited capacity.

Please ensure children participating in the program are picked up at 4:10 promptly.

Kindergarten Orientation

Next Tuesday we welcome our 2011 Kindergarten students to our school for the first of their orientation days. Parents of beginning students are invited to attend an information session in the library between 9:30 and 10:30 while our beginning students spend time familiarising themselves with the K/1 classroom.

It has become a lovely tradition that parents of current kindergarten students provide a morning tea for our new families at the parent information session. It would be greatly appreciated if 2010 kindergarten parents could drop something small into the office on Tuesday morning. Thank you.

Berry Sport and Rec

Please ensure money is finalised for our camp (3rd-5th November) by the end of this week unless arrangements have been made with Rod.

Anaphylaxis—Peanut allergy

A reminder to parents and students that nut based products are not to be brought to school as such items can be catastrophic to sufferers of anaphylaxis.

We also suggest parents make judgement calls when considering packing products that may contain traces of nuts. Due to the diligence of parents we have never had an anaphylactic reaction at our school and it's important that we all remain vigilant to ensure this continues to be the case.

Assembly

There will be no assembly this week!

Diary dates

Please add the following important dates to your diary:

- Wednesday 8th December - Presentation evening (time to be confirmed)
- Friday 10th December - Year 6 farewell.
- Monday 13th December -reward excursion
-Primary students - Jamberoo
-Infants excursion (tba)
- Wednesday 5th December - Final day of school.

Please note that despite our efforts it is necessary to have presentation night and the year 6 farewell in the same week.

P & C Patter

Welcome back, we hope all our families had a fantastic break and are ready for Term 4.

Unfortunately the P & C meeting last Tuesday night did not go ahead due to lack of attendance, please remember the P & C is for our children, all members and new members are

always welcome.

As we know Christmas is fast approaching, we will again be doing the fundraising calendars with photographs on them. The calendars are an easy tear off monthly style with all important dates on each month. These are an excellent gift for all members of the family, grandparents, aunts and uncles so get snapping. I will be collecting photos in a month. The preferred format is a CD with your photo saved to it.

Please remember that Friday is the nominated day for the children to wear their sports uniform, green shorts and white shirt for both boys and girls. If you don't have the uniform it is always available through the uniform shop or clothing pool.

Have an excellent week.
Belinda Chittleborough.
