Dear all,

It was lovely to catch up with some of our parents during our end of year dinner last Friday. Thank you to those who were able to join us.

It is that time of the year that we reflect on our school's successes and consider areas that need further improvement for 2011 and beyond. To this end I ask for a few minutes of your time to complete some surveys that are attached to this bulletin. This year our areas of evaluation are *Creative & Practical Arts* and our core business of *Learning*. I have also included a survey to gauge your overall satisfaction with the school. It would be wonderful if you could complete these and return them by the end of next week as they form the basis of our evaluations which are used in our Annual School Report.

Congratulations to our Year 6 students who organised a fun talent quest last week. Well done also to our acts who proved to be most entertaining!

Tomorrow night the P&C will be holding their final meeting for the year. The meeting will commence at 7.00pm in the 5/6 room. Mrs Belinda Walker will be joining us as the Teachers Federation Rep to provide a brief PowerPoint on how we can help shape the future of public education through contributing to the DET's funding review. Thank you to everyone who has contributed to our P&C to the benefit of our students.

We are busy preparing for our Presentation Night which will be held next Wednesday 8th December, commencing at 6pm. Hope to see you there!

Have a great week,

Primary Swimming Assessment

Any child participating in school related unstructured (free-play) water activities must have their swimming capabilities assessed prior to free play commencing. Therefore it is necessary for teachers to assess all students attending Jamberoo. After being graded students are given a coloured wristband to assist with supervision. This Friday 3rd December students in Years 3-6 will be heading to Greenwell Point pool for their assessment with Mrs Jamieson, Mrs Cato and Mr White. If the weather is suitable students and teachers will then visit Greenwell Point School for a combined sports session. Therefore primary students will not be able to order recess or lunch this Friday.

Please sign and return the attached permission notes, one for Jamberoo and the other for the swimming assessment.

Scripture & Parent Helper Morning Tea

Next Thursday 9th December we will be having a small scripture performance at 9:30am. This will be followed by our thank you morning tea at 10:30. We hope you can join us.

Thank you for your hard work throughout 2010, we hope to see you there.

Yearbook

Please note that all Yearbook orders are due back to school this Friday so we can send it off to the printers.

P & C Patter

Tomorrow night is the final meeting for 2010. All welcome to attend 7pm in the 5/6 room.

Friday night last week parents and teachers enjoyed a super meal @ the very busy Bridge Tavern, great company and conversation. One conversation that was of interest was again the traffic concern at the front of the school, we are all aware of how busy it is, please be patient especially when there are cars present that may not be so courteous.

Calendar orders are due by Thursday any form of photo will be accepted.

A note from Mrs Kalman

I would like to thank Mrs Ferry, Mrs Walker an in particular Mrs Cato for being supportive by allowing me to assist with reading groups and on sport afternoons. This volunteer work has helped me increase my concentration and built up my lost confidence due to the stroke I suffered last year.

Yearbook

Please reserve _____ copy/ies of the 2010 yearbook for the
