Presentation night Now at Pyree Hall due to uncertain weather

After much discussion it has been decided that our presentation night will be held at Pyree Hall, on the corner of Greenwell Point Rd and Pyree Lane, Pyree (right hand side of Greenwell Point Road if heading to Greenwell Point.) Please contact the school if you need further directions.

We apologise for any inconvenience this change may cause but believe this is the most suitable option given the weather forecast this week. (Murphy's law will mean it will probably be a lovely dry evening, however it will now be held at Pyree Hall regardless of the weather.)

Students are asked to be at the hall at 5:45pm for a 6:00 start.

All students will be attending a rehearsal at the hall during the day on Wednesday, There is a permission note attached that will need to be returned tomorrow. The school will cover the cost of the bus so there is no expense to parents.

At the conclusion of presentation night, guests are welcome to stay for a light supper. We will be utilising the hall's tea and coffee making facilities and crockery and ask interested parents to bring a plate of something to share.

Thank you to the committee of the Pyree Hall for kindly accommodating our request to use their facilities. We look forward to a lovely evening with the Terara School community.

Many thanks,
Rod

Dear all,

Staff and students are busy preparing for this Wednesday's presentation night at **PYREE HALL**. Students are to be at the hall in their uniform (no hat) at 5:45pm ready for a 6pm start.

Presentation Night is an evening the children and staff always look forward to as it is a celebration of the fantastic achievements throughout the year. It is hoped that all our children and their families can attend.

Another highly anticipated end of year event is the Year 6 farewell, which will be held this Friday evening at 6pm. We know this is a very important event for our school leaders and one they will look back on with great fondness. Please remember though that this is not the Oscars and dress should be appropriate for students of this age. Enjoy your special evening Year 6 students.

Next Monday our primary students who have maintained excellent behaviour throughout the year will be attending Jamberoo as their end of year reward. All attending students participated in a swimming assessment last Friday and will be given appropriate wristbands to identify their competency in water activities.

Infants students will also be enjoying the day with an in-school excursion comprising of the Friendly Games finale and a celebration party.

Have a great week,
Rod White
