Dear Parents,

Next Tuesday 2nd August parents and community members are invited to attend our school assembly to celebrate Education Week. Our assembly will commence at 11:30am, followed by open-classrooms and a BBQ lunch which will start at approximately 1pm. We hope you can join us to celebrate the great things happening in our school.

Also next Tuesday, some of our school leaders will be accompanying me to the launch of the Shoalhaven River Learning Community (SRLC). The SRLC is the result of the efforts of 19 public schools in the Shoalhaven working together to improve and celebrate public education in our area. The sharing of ideas and resources through combined staff development days and network meetings are just some of the positive outcomes already achieved through the SRLC. Next Tuesday's launch is a closed door function with members of parliament, the business community and other distinguished VIP's invited to attend. Two of our senior students will be acting as ambassadors and four of our students will be performing in the combined choir on the evening.

All our students had a fantastic time at the first of their gym sessions last week. The coaches quickly developed a very positive rapport with the children who were quick to demonstrate their skills and learn new things. Thank you to those who have made payment. A reminder that students can pay \$4 each week or \$40 for the term. Families will be reimbursed if students are absent.

Have a great week,
Rod White
Principal

Year 6 Raffle

I would like to give a big thank you to all the people who bought tickets in the Year 6 raffle. The luck winner was Jamima Saeck who was thrilled with her win.
