Dear Parents,

Thank you to the many parents, grandparents and friends who celebrated public education with us last week. It was lovely to show off our beautiful school and I'm sure you agree that Terara Public School isn't resting on its' laurels. As always our school leaders did a superb job running our assembly and setting the high standard of behaviour for our students. Thank you to Mrs Thompson, Mrs McMahon and their helpers for all their hard work on the BBQ and to Peter and Emma Cooper from Centre Butchery for the yummy sausages!

To coincide with Education week our two captains, Lachlan and Sian, attended the official launch of Education week at Nowra High School last Monday where they listened to our Regional Director via video conference, toured the school's new science facilities and enjoyed a light morning tea with other school leaders. Thank you to our two fantastic leaders who represented our school so wonderfully.

Straight after our Education Week assembly Natalia joined Lachlan as school ambassadors for our school during the Launch of the Shoalhaven River Learning Community in the Nowra School of Arts. This fantastic initiative sees the 19 public schools within the Shoalhaven develop collaborative networks to share ideas and resources to further assist students in our schools. During the launch we were entertained by an amazing combined choir which included Amber, Caleb, Skye, and Toby. Congratulations to these wonderful singers.

As expected Lachlan and Natalia were both outstanding ambassadors, thank you and well done. I look back on a busy Education Week delighted with the leadership opportunities our students are provided with, and very proud of Terara Public School and public education.

Have a great week,
Rod White
Principal

Cup Cake Day

Cup Cake Day for the RSPCA is Monday 15th August. The school will be selling Cup Cakes for \$1.00 to raise money for this wonderful organisation. We hope to raise \$100.00.

Lost Property

We have had some parents approaching the school about their child losing items of clothing. Unfortunately even though these items were labelled with the child's name, they are yet to be recovered.

Please check your child's clothing to ensure they have not accidentally brought home property that is not their own.

Thank you.

The Friendly Games 2011

(Where Everyone Is A Winner)

The infant students (K/1/2) have commenced The Friendly Games for 2011. All students are in their teams ready to compete in the different events. The first events are marching, chanting and walking horses. This Friday at 2pm Mr John Bennett from Worrigeer House and Worrigeer Equestrian Centre will be visiting us to judge "Marching Horses" and "Chanting Horses". All parents and friends are welcome to attend.

Students, although in their sports uniform, may wear a touch of their horse team colour (e.g. socks, ribbon or scarf) or bring a horse toy to hold.

Royal Horses On The Move

Our six royal carriage horses are going to be displayed at the annual Berry Garden Fair on August 28th at the Berry Showground as part of a recycling display. They will be in the company of many scarecrows in the scarecrow competition. Everyone is welcome to enter this competition. 1st prize is \$150.00

Unfortunately due to logistics our carriage will not be with the horses but we are sure they will still stand proud.

Cost to enter the show is \$4.00 adults.

Lots of bargains for gardening lovers.

Reminder—McCains Vegie Patch

We are still collecting barcodes from frozen vegetable products for our own vegie garden. Please keep them coming!
