Dear Parents,

After being postponed several times due to poor weather, the district athletics carnival was held in sunny conditions last Friday. We're delighted to hear that Jack and Lachlan have qualified for the Area Carnival this Friday, Jack in discus and short-put and Lachlan for long and high jump. Congratulations boys and well done to all our students at the district carnival.

If your child wore a school sports representative singlet or shirt please return it to the office washed, but not ironed as it will damage the fabric.

Next Wednesday evening our primary students will be performing in the Shoalhaven Music Festival. Students are asked to be at Nowra High School by 7pm ready for a 7.30pm start. Limited tickets are available for parents and family members in our school's office or they can be purchased at the door. Students are to wear their full school uniform:

- Boys: Grey shirt and long grey pants with black shoes.
- Girls: White shirt and long green pants with black shoes.

Year 6 students are not to wear their Year 6 shirts thank you.

We look forward to seeing all our primary students in attendance at this wonderful event.

A reminder that tomorrow night parents are invited to attend a literacy and numeracy information session, commencing at 7pm. Much of the material will be repeated from our successful information session held last year. If you are interested in attending please complete the attached slip.

Have a great week.

Learn to Swim Program

Places are still available for our learn to swim program which will be held during the last two weeks of this term (12th - 23rd September). Students in 1/2 have previously received notes and last week 3/4 students were given the opportunity to participate. Students who are capable swimmers are also encouraged to consider attending as the more able group spends time refining their stroke and technique. The cost of the two week course is just \$31.00 thanks to the P&C generously covering the cost of the bus. Please see Ruth if you require another note.

3/4 News

Next week Mrs Buckingham will be taking leave until the end of the term. Mrs B will be replaced by Miss Hopper for the first two weeks and Mrs Cato for the final week. The teachers have spent lots of time communicating and programming together to ensure student learning continues uninterrupted.

Photos

We would love digital copies of any photos of 2011 school related events including carnivals, our education week assembly or other school events.

If you have any photos we would greatly appreciate it if your child or yourself could drop them in on USB drive or CD. Alternatively they can be emailed to the school at terara-p.school@det.nsw.edu.au

Many thanks
Rod
