Dear all,

We're looking forward to our annual *Welcome BBQ* this Friday evening in our lovely school grounds, commencing at 6pm. Parents, family members and friends are encouraged to bring along a picnic blanket, fold-up chairs and some nibblies for themselves as well as a plate of something sweet or savoury to share.

Based on the success of previous years, I'm sure it will be another most enjoyable evening. Students need not be in school uniform.

This Friday our 3/4 class will be participating in a hockey gala day at Bernie Regan Hockey Complex. Children are to wear their sports uniform and hat and take their drink bottle, as well as recess and lunch as there will be no canteen at the grounds. Children are to bring their mouth guard, shin pads and hockey stick if they have them. Students who have ordered mouth guards through school will be given them before boarding the bus.

Tomorrow evening we will be holding a Country Fair Meeting at South Nowra McDonalds, commencing at 7:30pm. With the Fair date set for Saturday 27th October we're hoping to set the wheels in motion and develop a strong working party because there's lots to do! Come along and have a say!

Have a great week,

Rod White

1/2 Interviews

Thank you to the many parents of students in 1/2 who have organised a time to meet with their teacher tomorrow. If you have been unable to organise a mutually convenient time, please contact the school for an appointment in the near future.

University NSW Competitions

Once again we are offering primary students (Years 3-6) the opportunity to participate in the UNSW competitions. There is a cost associated with each competition and they are totally optional.

We remind parents that the competitions are always quite difficult but do provide good practise for Year 3 and 5 NAPLAN.

Please return the note attached to the back of the bulletin (primary students) by 30th March.

Student Council - Clean Up Australia Day

This Thursday is Clean Up School day as part of Clean Up Australia Day campaign. Our students will be tidying our school with the assistance of Mr Gardner.

The clean up will consist of a general pick up of rubbish from around the school ground. Children may bring gloves from home but it is not essential. All children will be briefed on safety aspects of picking up rubbish and they will wash their hands with liquid soap at the conclusion of the activity.

Thank You

Benny (Secretary)

Lost Clothing

A note to primary girls to check clothing as one of our girls returned from the small schools swimming carnival without her size 8 skorts. Her name was written in the front. Girls, please check to make sure you haven't picked up the wrong ones.
