Dear all,

Unfortunately the weather was against us last week and our *Welcome BBQ* had to be postponed. A new date will be announced shortly and I hope everyone can attend.

A reminder to all families that no nut products, including peanut butter are to be brought to school. In recent years our school has gone 'nut-free' with the full support of our families. The exceptions to this rule are hazelnut products, which have now been declared as safe for our particular child who is at risk of anaphylaxis. Therefore Nutella spread may be brought to school if parents desire. Any nut product that is not hazelnut based should not be brought to school and parents are to make a judgement call on products that state the item '*...may contain traces of nuts*'. Thank you for helping keep all our students safe and reducing the significant risk of an anaphylactic reaction.

Last Tuesday five of our students participated in the district swimming carnival. Congratulations to all our swimmers, particularly Alannah who qualified for this Thursday's regional carnival in 100m freestyle, 12/13 years backstroke, 12 years 50m freestyle and 12/13 butterfly.

Congratulations on a sensational effort, Alannah.

This Thursday is International Women's Day, a time to reflect upon the amazing contribution women make to society as well as raise awareness about the inequity many women and children still suffer from. For more information check out www.internationalwomensday.org.au

Have a great week,

If you have any to give us we would be very grateful.

A note to primary girls to check clothing as one of our girls returned from the small schools swimming carnival without her size 8 skorts. Her name was written in the front. Girls, please check to make sure you haven't picked up the wrong ones.

Good luck to Stephen today as he participates in the AFL trials. Unfortunately the Rugby League trials have been postponed.
