Dear all,

I hope everyone had a lovely long weekend despite the wet weather.

This week will be a busy one for us with the Book Fair, as well as the Life Education Van sessions commencing on Thursday. Thursday will also see our 5/6 students participate in an Indonesian cultural day at Nowra Public School. On Friday we will be culminating our Jump Rope for Heart involvement with a jump off and the infants students will also be attending the Peter Rabbit Musical at the Shoalhaven Entertainment Centre. Next Friday 22nd June will see our 5/6 AFL team head to Bateman's Bay after progressing through the first round earlier in the term.

I understand that there are currently a number of school events requiring parents to contribute financially. While we do try to keep these costs to a bare minimum and subsidise school activities, unfortunately the opportunities the children will have access to over the next week or two will incur costs. It is expected that these activities will be well supported but I encourage parents to talk to me about financial assistance if deemed necessary. I wouldn't like to see any child miss out on the fantastic opportunities available due to financial demands.

More details on each of these exciting events will be provided throughout the bulletin.

\*\*\*

Our book fair runs all this week and will be packed up during school hours on Friday. Come and have a look at the great books on offer.

\*\*\*

There will be a P&C meeting tonight in the 5/6 room, commencing at 7pm. I hope to see you there!

Have a great week,

Rod White

### **Jump Rope for Heart Jump Off - 15th June**

Hopefully the weather will improve for our Jump Off this Friday, 15th June.

Parents are welcome to join us at 12:00 for class skipping demonstrations followed by a break where parents can join their children for lunch. Tuckshop will be operating as usual - if parents would like something they can have their child place an order for them in the morning. After lunch senior students will be leading tabloid skipping activities where parents are invited to join in.

Please ensure all Jump Rope for Heart funds are returned this week.

### **School Reports**

Students will receive school reports next Thursday 21st June. Traditionally interviews have been scheduled for the week following reports, however this year they were carried out earlier in the term. If you would like to discuss any aspect of your child's report with their teacher, please make an appointment through the office.

### **Infants Excursion**

This Friday 15th June our Kindergarten, Year 1 and Year 2 students will be attending the *Happy Birthday Peter Rabbit* musical at the Shoalhaven Entertainment Centre. Please ensure notes and money are returned by tomorrow. Financial assistance is available for parents who are suffering financial difficulty.

### **5/6 Indonesian Performance**

This Thursday our 5/6 class will be attending an Indonesian Cultural Day at Nowra Public School. Transport is by private arrangement. Please ensure all notes are returned tomorrow.

### **Home Reading**

Many children have reached 25 nights of homereading. Please ensure they bring their signed reading card or journal to school when they reach this milestone.

### **Kindergarten Enrolments**

A reminder that out of area enrolment applications for kindergarten 2013 must be returned to school by the end of this term (Friday 29th June.)

### 3/4 Showbags

3/4 are collecting items for the Country Fair which will make up 100 showbags.

We have had little response so far to the letters the students hand delivered to local businesses. If you are able to help us with donations, products or cash to help fill our bags please contact the school. All money raised goes back into our school!

Thank you so much.

Mrs Julia Buckingham and 3/4 children.

### Let's get physical

Getting outside for just a short while everyday is healthy in many ways. In just 10-20 minutes you can receive your daily dose of vitamin D, important for bones, muscles and overall health. Vitamin D is not readily available from food, so good old fashioned sunlight for a few minutes a day (outside peak UV times of course) is the best way to get it. Heading outside also ensures you and your kids get some physical exercise and a break from TV and computer screens. For more ideas to get physical go to:

### Telling the time

Learning to tell the time is one of those life skills that, well, takes time. There are some great resources on the School A to Z website that can help. This page includes a downloadable clock template and both analogue and digital time references.
