Public Speaking

Congratulations to Noah, Amber, Iszi and Monique from 3/4 as well as May, Chloe and Lily for representing our school at the Small Schools' Public Speaking Competition at Shoalhaven Heads last week. I was very fortunate to be able to attend and listen to their wonderful speeches. Well done!

Bus Book

A reminder that the school should be notified of any changes to your child's regular afternoon routine so it can be added to the bus book. As an example if they usually catch the bus but are to be picked up by their mum, please inform us to save confusion. Please also let us know if someone other than their usual pick-up person is collecting them.

We are very fortunate to have a very effective system to help keep our students safe but we do need your support in ensuring the system doesn't fail.

Impetigo - School Sores

The school has been notified of a case of Impetigo. Please monitor your child and seek medical advice if symptoms develop.

Woolworths Animal Cards

Due to the popularity of the recent Woolies campaign and the disappointment of many children who did not quite complete their set of animal cards we are having an animal card swap meet at school. If your child is missing cards from their set please send a list of missing numbers (not the whole folder) and any cards that are doubles or triples your child may like to swap.

Mrs Walker has kindly offered to supervise the swaps at lunch time Tuesday and recess Wednesday.

Mufti Day

On the 30th October we will be holding a mufti day (plain clothes) with the theme "Cool Colours." All monies raised will be donated to the Bushfire Appeal. Children are asked to bring a gold coin for this most worthwhile cause.

Canberra Excursion

Today our primary students received a note regarding next week's excursion to Canberra. Please see your child's teacher or myself if you have any questions or concerns.

Have a great week,

Congratulations to last week's
winners:

Iszi and Sam C!

Robot Scare Crows

The two robot scarecrows are nearing completion but the smaller one requires some "filling" to his tummy. Each student in the school is required to contribute to the robots by donating a small weatherproof object which was going to be thrown out to become part of the "filling". Items such as short cords, part of a machine, milk bottle lids, clean plastic containers, broken pegs or anything not wanted. Mrs Muller will be collecting these items and putting them in a box on the hall verandah. The students who contribute will receive a certificate. Money raised from the auction of these scarecrows goes to the new Shoalhaven Cancer Care Clinic and the local senior citizens organisation.

National Bilby Competition Winners
