Kinder Orientation

We are looking forward to meeting our 2014 kindergarten students tomorrow when they join us for the first of three orientation sessions. As mentioned previously, it would be greatly appreciated if parents of our current kindergarten students could provide something small for morning tea.

Tomorrow's session will begin at 9:30am and conclude at 11:00am. We're sure our new families will enjoy being a part of the Terara School family.

Canberra Excursion

There would have been lots of exhausted primary children (and teachers) over the weekend as they recovered from their whirlwind tour of Canberra. The two day trip included visits to Questacon, AIS, Australian Museum, War Memorial, Dinosaur Museum and both the new and old Parliament House. Students are to be commended on their behaviour throughout the excursion.

A special thank you of course to Mrs B for organising the excursion and the staff who gave up their family time to provide this great opportunity to our students.

Literacy Legends

This year a number of our students have received daily literacy tuition throughout Terms 1,2 and 3 from volunteer tutors studying at the University of Wollongong.

Next Thursday our *Literacy Legends* students have been invited to the University's Shoalhaven Campus for a morning tea as an end of year celebration. During this time they will be presenting their tutors with a certificate of thanks for their commitment to our award winning program. A permission note will go out this week to students who have been invited to attend.

We have enjoyed our strong relationship with the University of Wollongong, Shoalhaven Campus over recent years and look forward to continue working together throughout 2014.

P&C Meeting

Our P&C will be holding their November meeting next Tuesday 12th November.

As always all members of the Terara School community are invited to attend. The meeting begins at 7pm in the 5/6 room.

Have a great week,
