Student Teachers

3/4 were sad to say goodbye to Miss Cooper on Friday as she successfully completed her 5 week teaching practicum with us. Congratulations must go to Miss Cooper for a wonderful prac!

As strong advocates for Public Education, staff at Terara School see the importance in supporting the next generation of teachers. Today we welcome Miss Cherese Morthorpe to our school as she completes a 4 week placement in the 5/6 room. Our children always benefit from being taught by different adults and I know they'll enjoy their time with Miss Morthorpe.

Kindergarten Orientation

It was lovely to have our 2014 kindergarten children join us for their first orientation session last Tuesday. Thank you to the parents who provided a delicious morning tea and to those who helped pack up and set up for the information session.

Next year's kindergarten students will be visiting us again tomorrow between 9:30am and 11:00am. Parents can bring their paperwork to the office during this time.

Literacy Legends

On Thursday our *Literacy Legends* students will be visiting the University of Wollongong, Shoalhaven Campus for their end of year celebration.

There is no charge to parents but please ensure notes are returned by Wednesday. As always students are expected to be in full school uniform, including black shoes, with grey socks for boys and white socks for girls.

Director Visits

Our new Relieving Director, Mrs Mary-Lou Barclay visited our school last week and was delighted to hear of the many fantastic programs and opportunities our school offers.

Thank you to our school staff who continue to offer a wide range of experiences for our students!

P&C Meeting

There will be a P&C meeting tomorrow night at 7pm in the 5/6 room. Come along!

Have a great week,

Ice Cream Day

This Wednesday Year 6 will be holding an Ice Cream Day to raise money for the Year 6 gift to the school.

Students can purchase ice cream in a cup with a choice of toppings for \$2.

R2D2 Update

Our recycled robot scarecrow will be auctioned this Saturday at 10 o'clock at the St Georges Basin Masonic Gardens.

All money will go to the Shoalhaven Hospital Cancer Care Unit.

Maybe this robot will look great in your garden!

Money

We have noticed that some students have been bringing money to school each day. Other than tuckshop on Mondays and Fridays and the occasional special day such as this Wednesday's ice-cream day there is no need for students to carry cash with them.

We also respectfully request that students do not bring fundraising chocolates to school. While we understand the importance of fundraising for local charities and sporting clubs, this is best conducted outside of school.

Absences

Please ensure that a note is provided explaining the reason for your child's absence if they have been away from school.

Voluntary Contributions

If you are intending to pay this Voluntary Contributions this year, they will need to be finalized by November 30th as it marks the end of our school financial year.

If you are unsure of how much you owe, please see Ruth.

Headlice

Unfortunately we have had reports of head lice. Please check your child's hair regularly and treat if evidence of eggs or lice are found.

Lost Property

A reminder to check the lost property basket if your child is missing any clothing items!

P & C Patter

Hello everyone,

This Tuesday night is our last P&C meeting for the year but it's still not too late to join in the fun.

The P&C is a fantastic way to stay involved in the life of the school. So if you have been thinking about this all year and haven't made the step, why not pop in tomorrow night? We will even supply the Timtams.
