Honesty & Friendship

Phone: 44216034

20 Millbank Road, Terara

Dear all,

I hope all our mums and nans had a beautiful day yesterday! Thank you to the P&C for once again organising the lovely mother's day stall and to the parents who donated goods, shopped for presents and volunteered at the stall. I'm sure all the mums loved their special gifts.

All our students (and staff!) looked lovely for their school photos today. Thank you for making sure all our children were in full uniform.

Tomorrow our Year 3 and 5 students sit their first NAPLAN assessment as they complete the Language and Writing paper. On Wednesday they will be completing the Reading test their final assessment on Thursday will be Numeracy. We wish our students every success and know they will do their best, as they do every day at Terara School.

Parents of Year 4 students who are considering applying for the Opportunity Class at Illaroo Road Public School for Year 5 2014 will need to have applications finalised by the end of this week. Parents can apply online at www.schools.nsw.edu.au/ocplacement. or see me for a paper form.

There will be a P&C meeting tomorrow evening, commencing at 7pm in the 5/6 room. Come along!

Have a great week!

Life Education Van

Each year the Life Education Van visits our school and works with each class on a range of age-appropriate personal development and healthy lifestyle topics.

This year the van, along with our good friend Healthy Harold, will be visiting us on 29th and 30th May (Week 5).

As the Life Education Centre is a charity, it relies on payments made by parents and fundraising opportunities to continue their operation. The cost for each child has been subsidized by the school to \$6 each and it is our expectation that all children participate in these valuable sessions. If you are having difficulty with payment please talk to Rod who can organize assistance.

Money is being accepted now at the office.

Science Centre

Next Friday our primary students (Years 3-6) are attending the Wollongong Science Centre. Please ensure notes and money are returned by the end of this week.

Assembly

There will be a school assembly tomorrow afternoon, commencing at 2:10pm. 5/6 will be presenting an item.

District Cross Country

Well done to our district competitors who proudly represented our at school last week's carnival.

Congratulations to Sienna who finished fourth and will be heading off to the regional carnival on 31st May.

After School Sport

After School Sport will commence tomorrow for students who have completed their expressions of interest. If you have not heard otherwise they're in! Please ensure students are picked up at 4:10 sharp.

Infants AFL Gala Day

Our infants students had a wonderful time at the AFL Gala Day last Wednesday. They are to be congratulated on the outstanding manners and sportsmanship they showed throughout the day.

Tuck shop

Unfortunately due to increases in supplier's costs we have had to increase some prices. Last week students received an updated pricelist, if it didn't make it home please see Ruth for another one!
