Dear all,

Our teachers have been very busy this term participating in a variety of professional learning activities. This Wednesday Mrs Walker and I will be attending the next training session on the new English syllabus which all teachers will be implementing from the start of next year. Mrs Walker is also joining Bu Ferry for regular workshops on the Count Me in Too numeracy sessions and Bu is also continuing her fantastic work in the L3 program which involves regular training. Furthermore after school every three weeks all teachers meet with their colleagues from our small school network for an intense professional learning session focusing on critical literacy and comprehension. Thank you teachers for all the hard work you do to support our students.
