Swimming Carnival

Today our primary students were competing at the small schools swimming carnival. Tomorrow notes will be given to students who qualified for district, which will be held this Friday. Congratulations swimmers!

Parent Teacher Meetings

Thank you to all the mums and dads who attended last week's Kindergarten information session. If at any stage you would like to talk to your child's teacher individually, please do not hesitate to make an appointment.

Attached to this bulletin is a sheet for parents in other classes to make an appointment for their parent/teacher interviews. Please return the slip this week.

Dates are listed below:

1/2: Tuesday 4th March

3/4: Tuesday 18th March

5/6: Friday 7th March.

Please complete and return the attached sheet and we will endeavour to give you a time that suits. If you are not available at any of the times listed, please contact the school for an alternative timeslot. Regular communication with your child's teacher not only provides you with information about how your child is travelling, but can help their teacher understand them and better cater for their needs.

Labelling Belongings

Please ensure all clothing and other items are labelled so they can be returned if misplaced!

Assembly

There will be a school assembly tomorrow at 2:10 in the hall where the student council will be presented with their badges.

Parents and other family members are always welcome to attend our assemblies.

Nowra High School

Today our Year 6 students received a flier about an information session at Nowra High School next Tuesday 4th March. If you are considering a placement at NHS in 2015 I encourage you to attend this session.

School grounds

The school and P&C are considering ways we can further improve our beautiful school grounds, particularly in the area around the camphor-laurel tree near the K/1 room.

P&C representatives will be meeting with some of our school staff this week to share ideas. If you have any suggestions, please let me know!

Enjoy your week,
Rod White
Principal

School Clean-up Day

This Thursday 27th February will be our School Clean Up Day

Every year the Terara Student Council help to organise the cleaning up of our school grounds. We ask that the students bring their gardening gloves or some rubber gloves to wear whilst working. The student council has a limited number of gardening gloves and some latex gloves that fit the older students.

This is a school student activity and encourages everyone to care for the school environment and to work co-operatively. The Student Council will purchase ice blocks for all the students to say thank you for being good school citizens.

Thank you
Lily Wright - Secretary, Terara Student Council

Afternoon Sport

Tuckshop

Orders for recess can be placed at recess and do not have to be written out on lunch bags. Helpers from Yr 5/6 can assist younger students with their choice of recess.

School Banking

2014 School Banking programs are available in the office if you would like to open an account with the Commonwealth bank for student banking.

Welcome BBQ

Yes, we will be attending the school's *Welcome BBQ* on the evening of 14th March.
