## Swimming Carnival

Congratulations to Ava B, Emily Ch, Iszi, Raphaella, Chloe, May, Colbee, Sienna and Erin for representing our school so strongly at last week's district swimming carnival. Great work!

## Parent Teacher Meetings

Today Mrs Moogan hosted Parent/Teacher interviews for her class. Thank you to everyone who attended to discuss the progress and achievements of their children.

Mrs Jamieson will be hosting interviews for parents of students in 5/6 this Friday 7th March. Mrs Buckingham will be having hers on Tuesday 18th March. If you haven't already done so please provide the school with a suitable time for interview.

## Assembly

Congratulations to our school leaders, Student Council members and all other students on a fantastic assembly last week.

Unfortunately I was at a meeting and unable to attend, although teachers have told me what a great job our students did during their first assembly, well done!

Thank you to the many parents who came along. Our next assembly will be held next Tuesday 11th March.

## High School Forms 2015

A reminder to parents of Year 6 students that expression of interest forms for 2015 placements are to be returned to our school by Friday 21st March. Please see me if you require assistance.

## Nowra High Info Session

A reminder also about the Information Session for Nowra High School this evening.

If you are considering a placement in 2015 I encourage you to attend this session.

## Medical Condition Forms

As part of the change to our new admin system, schools are required to collate a range of new student data. Today each student received forms to be completed if they have any medical condition or allergies. Please consider this carefully as these responses will replace the current information we have on file regarding any health matters for your child.

This is also a good opportunity to provide the school with new contact numbers or addresses.

Please return the forms to school by Friday 28th March if your child suffers from asthma, anaphylaxis or any other medical condition.

Have a great week,  
Rod White  
Principal

## Positive Behaviour for Success

This week's value is

*Encourage and Support Others.*

Congratulations to last week's  
winner:

*Gracie-Kate!*

## School Clean-up Day

Unfortunately recent rain meant that we were unable to participate in Clean-Up day last Thursday. We have rescheduled for this Thursday.

We ask once again if students could bring any gardening or rubber gloves to wear (we do have a limited supply at school for use).

## UNSW Competitions

Each year our primary students are given the opportunity to participate in the University of NSW Competitions. Students in Years 3-6 received a note today outlining the cost and timeframe for these competitions. Please see Rod if you would like to discuss your child's involvement.

## Welcome BBQ

We are looking forward to everyone coming together to celebrate being a part of the Terara School family at our Welcome BBQ next Friday 14th March, commencing at 6pm.

Please ensure you complete the slip below so we can have an idea of numbers.

It would be greatly appreciated if you could bring a plate to share, as well as your own picnic blanket, cutlery and crockery. Please note this is an alcohol-free event.

*Above: Mr Jason Hale, Manager of Woolworths Culburra presented Mrs Thompson with school supplies as part of the Earn & Learn program during last week's assembly.*

## Home Reading

I know the vast majority of families are supporting our home reading program, thank you! If your child has read for 25 nights, please return their chart so we can present them with an award at next week's assembly.

## Small School Leadership Day

Next Tuesday our Year 6 students will be participating in a leadership day at Kangaroo Valley School. This follows their very successful day at Killalea State Park at the end of last year.

# Welcome BBQ

Yes, we will be attending the school's *Welcome BBQ* on the evening of 14th March.
