Welcome BBQ

We're looking forward to the school community coming together for our Welcome BBQ this Friday evening, commencing at 6pm.

A reminder to bring your own cutlery and crockery, nibbles, picnic blanket, fold up chairs etc. It would also be greatly appreciated if each family could bring a plate to be shared. The P&C will provide the food for the BBQ. A reminder this is an alcohol-free event.

The Welcome BBQ always proves to be a great opportunity catch up in a more casual setting. We also enjoy seeing many big brothers and sisters who were past students of Terara Public School.

If you haven't already done so, please return the slip on the following page of the bulletin and return it tomorrow to give us an indication of numbers. If these change throughout the week, don't panic!

Year 6 Leadership

Tomorrow our Year 6 students are off to Kangaroo Valley School to take part in a leadership initiative with their peers from our surrounding small schools.

Students are to wear sensible sun-safe plain clothes and a hat. I'm looking forward to spending time discussing leadership with our wonderful Year 6 leaders.

District Sporting Trials

Many of our students had a busy week in the sporting arena last week with soccer trials taking place across the Shoalhaven. Rory, Jayden, Emily, May, Chelsea and Keira participated with May being accepted into the girl's district team. Congratulations May. This Thursday Emily, Fleur, Georgia, Grace and Chloe will be participating in the Netball trials. Good luck!

In other sporting news Zachary and Gracie-Kate have been busy on their BMX's, both racing at Canberra over the weekend. Zachary finished 12th in the Canberra State titles and is currently 9th in NSW for his age division while Gracie-Kate finished 3rd and is currently 3rd for her age division in NSW.

Congratulations, it's great to see our students are staying fit and active both at school and at home!

Assembly

Despite our Year 6 students and myself being at the leadership day tomorrow, we will be pressing on with our assembly with some of our Year 5 students at the helm.

As always parents are welcome to attend from 2:10pm.

Have a great week,
Rod White

Well done, everyone. The Student Council worked wonderfully with all students to clean up our school grounds and gardens. Thank you to the teachers and Mr Kupfer for your guidance and expertise. Our school looks great and we all enjoyed a well earned ice-block.

Fantastic job! Thanks from Bu and Mrs Walker.

Our students did an excellent job making our beautiful school look even more fantastic during our School Clean Up.

Medical Condition Forms

Thank you to the many parents who have returned their medical notes outlining medical conditions or allergies within their children. If this applies to your child please return the note so we can have the most up-to-date information.

This Thursday all students will begin a free 3 week AFL clinic at school. Sessions will cater for all students and are a great opportunity to learn new skills.
