Dear Parents and carers,

I hope everyone enjoyed the long weekend with their loved ones.

Athletics Carnival

Our Small Schools Athletics Carnival is scheduled for this Friday 13th June. Hopefully the weather will be nice to us but we will see how the week pans out. If a cancellation is necessary, we will do our best to ensure students are notified on Thursday.

There are a number of students who still need to return their note and money, please ensure this is finalised **TOMORROW!** Students are to come to school and catch the bus to the carnival together. It will leave at 9am sharp!

As we are the organizing school we will need many helpers throughout the day, both in the canteen and assisting with the event. If you are able to help with a particular event please see me prior so I can allocate you a role.

Good luck to all our competitors!

P&C

A reminder that the P&C will meet tonight at 7pm in the 5/6 room. As usual many items will be covered, including this Friday's carnival.

Come along and join in!

Gymnastics Program

Next term each class will be involved in an 8 week gymnastic program. The sessions are delivered by qualified instructors using specialized equipment. The program is always enjoyed by our students.

There is a cost of \$5 per week and parents can either pay on a weekly basis, or with a lump sum of \$40.00. It is expected that each child participates. I understand that parents are making payments for a number of items or activities at the moment and while we try to ensure costs are kept to a minimum we see the benefits to the programs we're offering. If you are experiencing financial difficulty and require financial assistance, please talk to me confidentially.

Our first session is on Friday 18th July. Payment can be made now or in the first week back.

Book Fair

Thank you to the many parents who have already purchased books from our Book Fair. The library will be open between 8:30 - 9am and 3:00 - 3:30 each day this week for parents to view and purchase books. Scholastic donates a selection of books back to the school as a percentage of sales.
