Athletics Carnival

Unfortunately the rain that we received at the beginning of last week meant that the grounds at Shoalhaven High School were too wet to host our carnival. We have rescheduled for next Monday 23rd June. A new note was sent home for primary students today. Please complete and return by the end of the week.

We still require helpers on events as well as in the canteen. Please complete the slip on the back of this newsletter if you can help

Life Education Van

The students are very excited about seeing Happy Harold this week. K/1 and 5/6 participated in their sessions today, with 3/4 and 1/2 tomorrow.

The Life Education Van is run as a not for profit organisation and is funded largely by donations and the small fees charged to students. Students are able to purchase merchandise from the van today and tomorrow regardless of the day of their session. We suggest a limit of \$5.00 although there are some items more expensive.

Semester 1 Reports

Teachers are busy finalizing school reports which will be sent home next Wednesday. If you would like to discuss the report with your child's teacher please make an appointment to do so.

P&C Contact List

Once again the P&C wish to create a contact list for each class so parents can access phone numbers of other parents in their child's class. This was found to be beneficial last year when it was initiated because the school cannot pass on phone numbers of parents.

Your involvement is purely on an opt-in basis and you can register by the return slip over the page. Further details are also provided in *The P&C Patter* on page 2 of this newsletter.

Attendance

Last week our Home School Liason Officer visited our school to perform her routine role check. Our attendance currently sits at 96.46% which is above state average. We know that students with a high attendance rate have a much higher level of success than those with irregular attendance. Well done on parents and caregivers for ensuring education is a priority in your home!

Book Fair

Thank you to everyone who purchased books through the book fair last week. In total \$1636 worth of books were sold, enabling us to select \$490 of free books for our library. Well done!

Have a great week!

Thank you to the parents and grandparents who helped with the baking and to everyone who supported the fundraiser.

P&C Patter

Calling out to all parents, nans, pops, grandmothers, grandfathers, aunties and uncles, we need volunteers to form a committee to help plan the next Country Fair for 2015.

We are also looking for any volunteers that can sew. We need volunteers to make our quilt for the Country Fair big raffle.

We are making a contact list for each class for when those times come in the holidays and children say they are bored or you are looking for a play date for your child. We will have one parent in charge of the contact list and when you wish to organize something, you can call the parent in charge of the list and if the contact person is on the list your details will be given out.

Please fill in the form below and return to school.

Thank you
