From the Principal

Fantastic ZoonsooZ Excursion

What a fantastic excursion for our Years 3—6 students! We packed a huge amount into our two days and one night and our students were highly engaged in all activities, enjoying the whole range on offer. Mr Watt, Mrs Muller, Mr Love and I were all very impressed with the behaviour and engagement of the students who displayed their school values throughout the excursion. I would like to say a huge thank you to the parent helpers accompanying us, Mrs Singleton and Mrs Crago. You did a wonderful job and we greatly appreciate your efforts. On behalf of the students, their parents and myself, I would also like to say a huge thank you to our teachers and support staff who also did a wonderful job and readily gave up their time, demonstrating their commitment, energy and good humour throughout.

Re-roofing of School Buildings

Work has begun to replace the roofing on our main building and the student toilet block. Please follow all signs for access to the office and 5/6 classroom. Workers will be trying to minimize disruption to the school as much as is possible, however, 5/6W will have to re-locate to the library for a short period during the work.

Always Pack
FRESH

This week is:

- 1/12 Assembly—Music students' performance

School Values Awards

Congratulations to the winners of last week's Froggy draw - Raphie and Riley! They managed to be in the right place, at the right time, doing the right thing. The focus for this week is to 'encourage and support others'.

ANZAC Memorial Soil Collection Project

The ANZAC Memorial Centenary Project will commemorate the centenary of the end of World War 1. A memorial artwork will be established at the Hyde Park Memorial in Sydney which will include the creation of a plaque for

every suburb and locality around NSW that enlistees for the First World War gave as their place of address. A sample of soil collected from the area will be displayed alongside the place name. Close to

1700 plaques will be displayed on mass around the walls of the Hall of Service. Terara Public School is proud to be a part of this project. Students have collected soil from our school site, near our Memorial Garden, representing the town of Numbaa as the town of enlistment.

School Swimming and Water Safety Program

Swimming School started today with 30 of our students joining students from Greenwell Point PS for lessons at Bomaderry Pool. The program will continue for 10 school days. Thank you to our P&C Association for sponsoring the bus fare for this important program. This has made the price very reasonable with students having only to pay pool entry.

Scholastic Book Club Orders

Scholastic Book Club orders are due back to school by 1st December 2017.
