Shoalhaven LAC Police Integrity Award

I was very proud to accompany our school captain, Ava Boundy, to the Nowra Police Station last Tuesday where she was presented with the

Shoalhaven Local Area Command Integrity Award for 2017. This award recognizes the positive behavior of young people in the Shoalhaven Community. Integrity award nominees must show honesty, pride within their school community, pride in the school uniform, act in the school statement of values, show leadership, take responsibility and consider others feelings. All primary schools in the local

area were requested to nominate one student from their school and our nominee, Ava Boundy, was judged to be the most worthy recipient by the Local Area Commander, Mr Steve Hegarty. Ava was presented with a framed certificate and a gift voucher.

Terara Students to Star in Planet Nowra—Creating a Parallel Universe in the Heart of Nowra!

This intriguing art event will bring Nowra to life through the eyes of over 80 local makers, artists and school students, including Terara PS students, on 8-9 December 2017 in the Manse Gardens of St Andrews

Presbyterian Church. Planet Nowra is a free event exploring the concept of 'place' through contemporary arts practice. It is a partnership between The Bundanon Trust, Sydney based *Theatre Kantanka's* artistic director Carlos Gomez, and guest artists, including Katia Molino. The artists have engaged with local communities to re-examine their city through diverse artforms to capture the spirit of Nowra and create an intriguing art event for its people.

Carlos worked with twelve of our Stage 3 students to produce sculptures and a soundscape, while Katia worked with eleven of our Stage 2 students on a read aloud performance of their writing to be presented live during the event.

With Australia having one of the highest rates of skin cancer in the world, we'd like to remind everyone, especially students, to protect themselves from skin cancer. In NSW UV conditions are 'very high' or 'extreme' throughout summer. During daylight saving, it's best to seek shade where possible between 11am and 3pm.

2018 Nowra Show

In 2018, Terara Public School will be vying for the title of 'Most Successful School' at Nowra Show. All students are busily creating individual artworks to submit. They will also be working collaboratively with their peers to create an Infants and Primary mini display and wheelbarrow garden. A few enthusiastic students will also be given the opportunity to create sculptures from various hard materials including: wood, plastic, metal and natural materials.

We are asking that, if possible, the following items are donated to the school:

- Old wheelbarrows with tyre inflated (please contact the school before bringing one in)
- Plastic bottle caps
- Monetary donations or vouchers to purchase plants and potting mix

Students can also create items at home and bring them in before the end of the year. Possible categories include: needlework, scrapbooking and Lego construction.

If you have any inquiries or would like any information on other categories or rule specifications, please contact Miss Cooper.
