TERM 2 WEEK 6

Monday, 4th June, 2018

PRINCIPAL'S MESSAGE

AFL Coaching

This is the final week of AFL coaching and students will have a mini gala day to practise the skills learnt over the last 6 weeks. A big thank you goes to our coach, Matt Hickmott, who has done a fantastic job with our students. They have gained many skills and very much enjoyed their coaching sessions. This has been completely free of charge for students as all costs are covered by our Australian Sporting Schools grant, which is part of a national government program to promote sport and fitness. During the final 4 weeks of term the students will be participating in basketball coaching sessions, also provided through an Australian Sporting Schools grant. It's great to see our students gaining fitness and the skills to participate in a healthy lifestyle. Primary students will also begin athletics practise during sport over the next few weeks, in preparation for the Small Schools Athletics Carnival on the 28th June.

Life Education

The students certainly enjoyed their visit to the Life Education Van last week and teachers reported that many of the skills and content from our PDHPE curriculum was reinforced with relevant and engaging lessons. This is a very worthwhile educational service and we are lucky to have access to it

here on the South Coast. We hope you continue to support the Life Education Van in the future.
