

A MESSAGE FROM THE PRINCIPAL

Nowra Show

Congratulations to all the students who submitted entries to the Nowra Show. We had over 180 entries from our school and won many, many prizes for our contributions. The 'Wheelbarrow Gardens' won first and second prizes, the food mosaic won 'Most Outstanding Exhibit' in the Infants section, and the pot plant hangings won 'Most Outstanding Exhibit' in the Primary section. Many students also gained First, Second and Highly Commended awards for their artworks, sculptures, crocheting, macramé, cooking, cattle leading and a wide variety of other entries.

Our students greatly enjoyed seeing their success and the success of their fellow students on our excursion to the show last Friday. It was a great way to connect with their community and be a part of this important community event. You can see their enjoyment when you view the wonderful video by Mr Watt. It's a great memento of the occasion and a great way for parents to see what the students experienced. <https://www.youtube.com/watch?v=KAznouB02fm>

I would like to give a huge thanks to our outstanding and tireless teachers and support staff for all their efforts in school, and the many hours of time out of school hours, to put the students' entries together and submit them for the show. However, the biggest thank you is reserved for Miss Cooper (and her Mum) who really went above and beyond to make this such a success for our students.
