TERM 1 WEEK 5

Monday, 25th February, 2019

A MESSAGE FROM THE PRINCIPAL

District Swimming Carnival

Congratulations to our swimming team who represented our school at the Shoalhaven District Swimming Carnival last Friday. They were all great ambassadors for our school, trying their hardest and displaying our school values with their excellent behaviour. We had many placegetters in the heats with some exciting and close finishes, but won't know if any will go on to the regional carnival until results are sent out to schools later this week. Well done to all those who competed.

Clean up Our School

This Friday is *Schools Clean Up Day*, run in conjunction with the Clean Up Australia Day campaign held this coming weekend. Since our school's War on Waste, initiated by last year's school captains, there has been noticeably less rubbish lying around in our school grounds. I have challenged our students to keep their playground so clean that they will find **no rubbish** to collect this Clean Up Day. I think we have a very good chance of achieving that goal.

Student Representative Council Badge Presentation

The Student Representative Council (SRC) is made up of student representatives from each class, K – 6, who attend meetings to suggest ideas and hold discussions about things that will benefit the school. The SRC met last week and have already made a number of suggestions for activities and fundraisers for the near future. The first of these is our traditional **Easter Raffle**. The SRC request that families from our school, make donations of Easter eggs as prizes for an Easter raffle, and sell tickets, which will be issued in the coming week.

SRC representatives will be presented with their badges this Friday at the school assembly, which begins at 2.00 pm in the school hall. Parents and caregivers are most welcome to attend.

Pass the Poetry Performance

Small schools don't often have the opportunity to see live performances in their own school, due to the small number of students to cover the costs for performers. Occasionally, some shows are made available at affordable prices, giving our students the chance to participate in these valuable experiences. *Pass the Poetry Please* is not a poetry reading, it's a lively, totally engaging, visually rich theatre experience. It skilfully combines poems past, present, fast, slow, funny and sad with costumed characters and baffling illusions in a colourful energetic performance that engages and stretches the imagination.

Pass the Poetry Please promises to be a great show at a cost of \$5 per student. Notes have been sent home with students. Please return the note and money to school or pay online and provide your receipt number if you wish your child to attend.

District Soccer Selection

Congratulations to Jackson from 5/6W on his selection in the district soccer team. He will be attending the Zone trials later this term. Well done!
