TERM 1 WEEK 2

Monday, 4th February, 2019

A MESSAGE FROM THE PRINCIPAL

Smooth Start for Kindergarten

Our new Kindergarten students began their school career last Friday and had a great first day. Already we can see how eager and enthusiastic they are to learn new things and how kindly they treat their fellow students. They will certainly be an asset to Terara Public School along their way to becoming our responsible global citizens of the future.

Nowra Show

Once again, we have many entries in the Nowra Show (over 130 entries), so we decided to take the students along this Friday for a first hand look at what the show is all about and the chance to see their exhibits displayed in public. Permission notes were sent home last week and need to be returned ASAP with \$4.00 to cover the cost of the bus.

Soccer Skills Clinics

All students, K – 6, will participate in soccer skills clinics on Wednesdays for the next three weeks. They will need to wear suitable sports shoes and may wear their sports shirts. We plan a varied program of physical education throughout the year, and welcome the opportunity to have expert community coaches contribute to our program. Thanks to Shoalhaven Football for this opportunity provided to our students.
