A MESSAGE FROM THE PRINCIPAL

Schools Clean Up Day

Congratulations to all our students for their efforts in keeping our school clean and beautiful. At our School Clean Up Day last Friday, all students scoured our grounds to pick up any rubbish that might be lying around, and I am very proud to say that they only managed to find enough rubbish to fill one small bag. I am very sure that this is a direct result of our students' War on Waste, initiated by our previous captains, and now embedded in our school culture.

OzHarvest Visit

We will soon be having a visit by an organisation called OzHarvest, who will extend the concept of food waste. By diverting food from landfill and feeding those in need, OzHarvest are protecting our environment from the harmful effects of food waste. They will make a presentation concerning:

- The problem of food waste and food insecurity – globally and in Australia
- The environmental consequences of food waste
- The impact of food insecurity on people

- The OzHarvest Story
- Tips to fight food waste at home and school

Student Representative Council Easter Raffle

The SRC worked very hard on Friday to put the raffle ticket books together for our Easter raffle. Tickets will be sent home with students today, and more are available from the office if your demand exceeds supply.

Tell Them From Me Student Survey

Students from Year 4 – 6 will soon be asked to complete a survey about their experience of school life at Terara Public School. This is important feedback for us to see if our programs and practices support our students' learning and wellbeing effectively, and which aspects need further improvement to create the best school experience we can offer. Individual student answers cannot be identified. Your child will complete the survey in class. If you **do not** want your child to complete this survey, please complete the form which will be sent home today.
